SINGLE SIDED SYSTEM
ONE APPLICATOR HEAD
PLACED WITH YOUR CURRENT CONVEYOR

The right label, when you need it,
accurately applied.

Testimonials

GROWER RECOMMENDED

We have multiple Line Boss Applicators at each of our production facilities and **would highly recommend them to any other growers that are considering moving to an adhesive label type tagging system.**

Nate Barker, Olson's Greenhouse
Salem, Utah

EASY TO USE

Working with the Line Boss is super user friendly. **Once you set up a pot correctly you will never have to worry about it again.**

Ryan Bartolotta, Cromwell Growers
Cromwell, CT

FAST

The Line Boss will label **as fast as you can put trays on.**

Don Marvaso, Marvaso Greenhouses Inc.
Romulus, Michigan.

**IT'S TIME TO RE-THINK
YOUR LABELING SYSTEM
FROM THE GROUND UP.**

- CTM Series 360a Merge Label Applicator, Right Hand or Left Hand
